The Facts

- **Over 15% of our State's population is over 65 years old**
- 600,000 seniors live in South Carolina and that number is expected to double in the next 15 years
- **More than 10% of our State's seniors live in poverty**

The ElderCare Trust Fund was created to help South Carolina's seniors stay in their homes and lead productive lives. It is primarily funded by tax payer contributions through a check-off on state income tax forms.

Since 1995, the ElderCare Trust Fund has awarded over \$400,000 to over 30 organizations serving seniors in South Carolina.
